**MILWAUKEE COUNTY CHAIRWOMAN PRAISES COLLABORATION BETWEEN
EXECUTIVE AND LEGISLATIVE BRANCHES OF COUNTY GOVERNMENT**

Board committed to economic development, job creation

Milwaukee – Milwaukee County Board Chairwoman Marina Dimitrijevic released the following statement regarding compromise reached between the Milwaukee County Board and the County Executive's office related to county land sales:

"The passage of a new County policy on land sales is an excellent example of successful collaboration between the executive and legislative branches of Milwaukee County government.

"Supervisors mean it when we say we are serious about working together. In the last few months, the Board has acted quickly to move forward on projects such as the Downtown Transit Center and the Park East because we are focused on creating more jobs in Milwaukee County.

"The compromise passed by the Board will have a positive impact on economic development in Milwaukee County while maintaining respect for the public's role and stewardship when it comes to public land."
